

UGANDA BUREAU OF STATISTICS

## PUBLIC STATEMENT

### RELEASE OF AREA (DISTRICT, COUNTY/DIVISION AND SUBCOUNTY/TOWN COUNCIL) STATISTICS FROM NATIONAL POPULATION AND HOUSING CENSUS (NPHC) 2024

**Kampala – Tuesday, 10<sup>th</sup> June 2025:** The Government of Uganda through the Uganda Bureau of Statistics conducted the 11<sup>th</sup> National Population and Housing Census (NPHC) in May 2024. The Final Report of the Census 2024 - Volume 1 (Main) was published on 31<sup>st</sup> December 2024.

Uganda Bureau of Statistics is pleased to inform the public that the District, County/Division and Subcounty/Town Council profiles, clustered as per their sub regions, have been finalized. The profiles contain detailed baseline data and information up to the Parish level. The data and statistics are critical for planning, localization of Sustainable Development Goals (SDGs) and the effective implementation of the Parish Development Model (PDM). ***The Area profiles can be accessed on the UBOS website <https://www.ubos.org>.***

The Bureau will continue to publish more thematic Reports (Monographs) to support evidence-based planning, policy, and decision making.

We thank you for your continued support in statistical production and development.

  
Chris N. Mukiza (PhD)
