### **1.3 Corrupt Practices**

1.3.1 It is the Government of Uganda’s policy to require that Procuring and Disposing Entities, as well as Applicants, Providers and Providers, observe the highest standards of ethics during procurement and the execution of contracts.   - (i) “corrupt practice” includes the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution; and
  - (ii) “fraudulent practice” includes a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Procuring and Disposing Entity, and includes collusive practices among Providers prior to or after bid submission designed to establish bid prices at artificial, noncompetitive levels and to deprive the Procuring and Disposing Entity of the benefits of free and open competition;
- (b) will reject a recommendation for award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the Contract; and
- (c) will suspend a Provider from engaging in any public procurement proceeding for a stated period of time, if it at any time determines that the Provider has engaged in corrupt or fraudulent practices in competing for, or in executing, a Government contract.
