GUIDE ON HOW TO ACCESS A MICRO DATASET FROM THE UGANDA MICRODATA ARCHIVE

(<https://microdata.ubos.org:7070>)

Introduction

The Uganda Bureau of Statistics (UBOS) is pleased to present this comprehensive Guide on How to Access a Micro-dataset from the Uganda Micro-data Archive, accessible via the link <https://microdata.ubos.org:7070>. This Guide explains, in clear step-by-step format, how authorised users can register for access, navigate the micro-data portal, search for a specific Micro dataset, and securely download the data for analysis. By facilitating wider and transparent access to high-quality data, UBOS affirms its commitment to evidence-based decision making, the enhancement of public accountability, and the strengthening of Uganda's data ecosystem.

This guide provides a demonstration on how to download The National Population and Housing Census 2024 Micro dataset, but the concepts can be applied to any other dataset that has micro data uploaded on the portal.

Instructions

- 1) Click on the "Click Here to Access The National Population and Housing Census 2024 Micro dataset". See the highlighted image

The National Population and Housing Census 2024 is the eleventh in the series of Censuses Uganda has conducted, six (6) of which were conducted in the post independence period. Population counts were conducted in 1911, 1921 and 1931, while Scientific Censuses were conducted from 1948 to date. The African and non-African populations were enumerated separately in 1948 and 1959. During the post-independence period, Population Censuses were conducted in 1969, 1980, 1991, 2002, 2014 and 2024. These were national in nature with both Ugandan and non-Ugandan populations being enumerated simultaneously. The NPHC 2024 conducted during the period 10th – 26th May 2024, is the first digital census conducted in Uganda ...
