

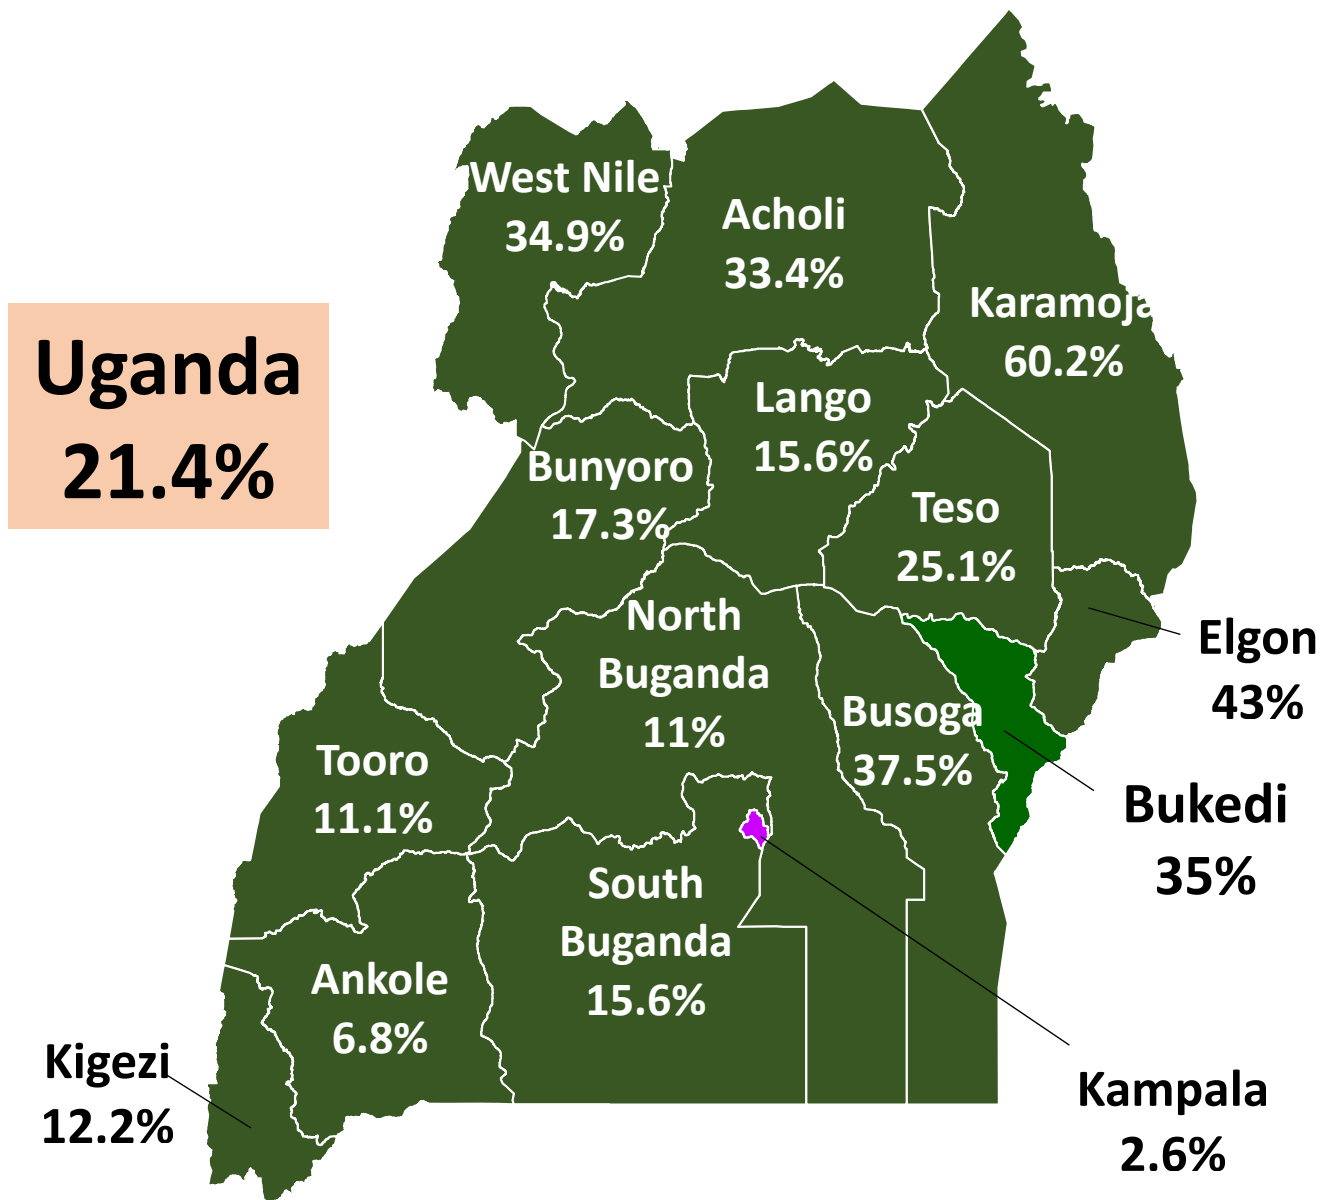

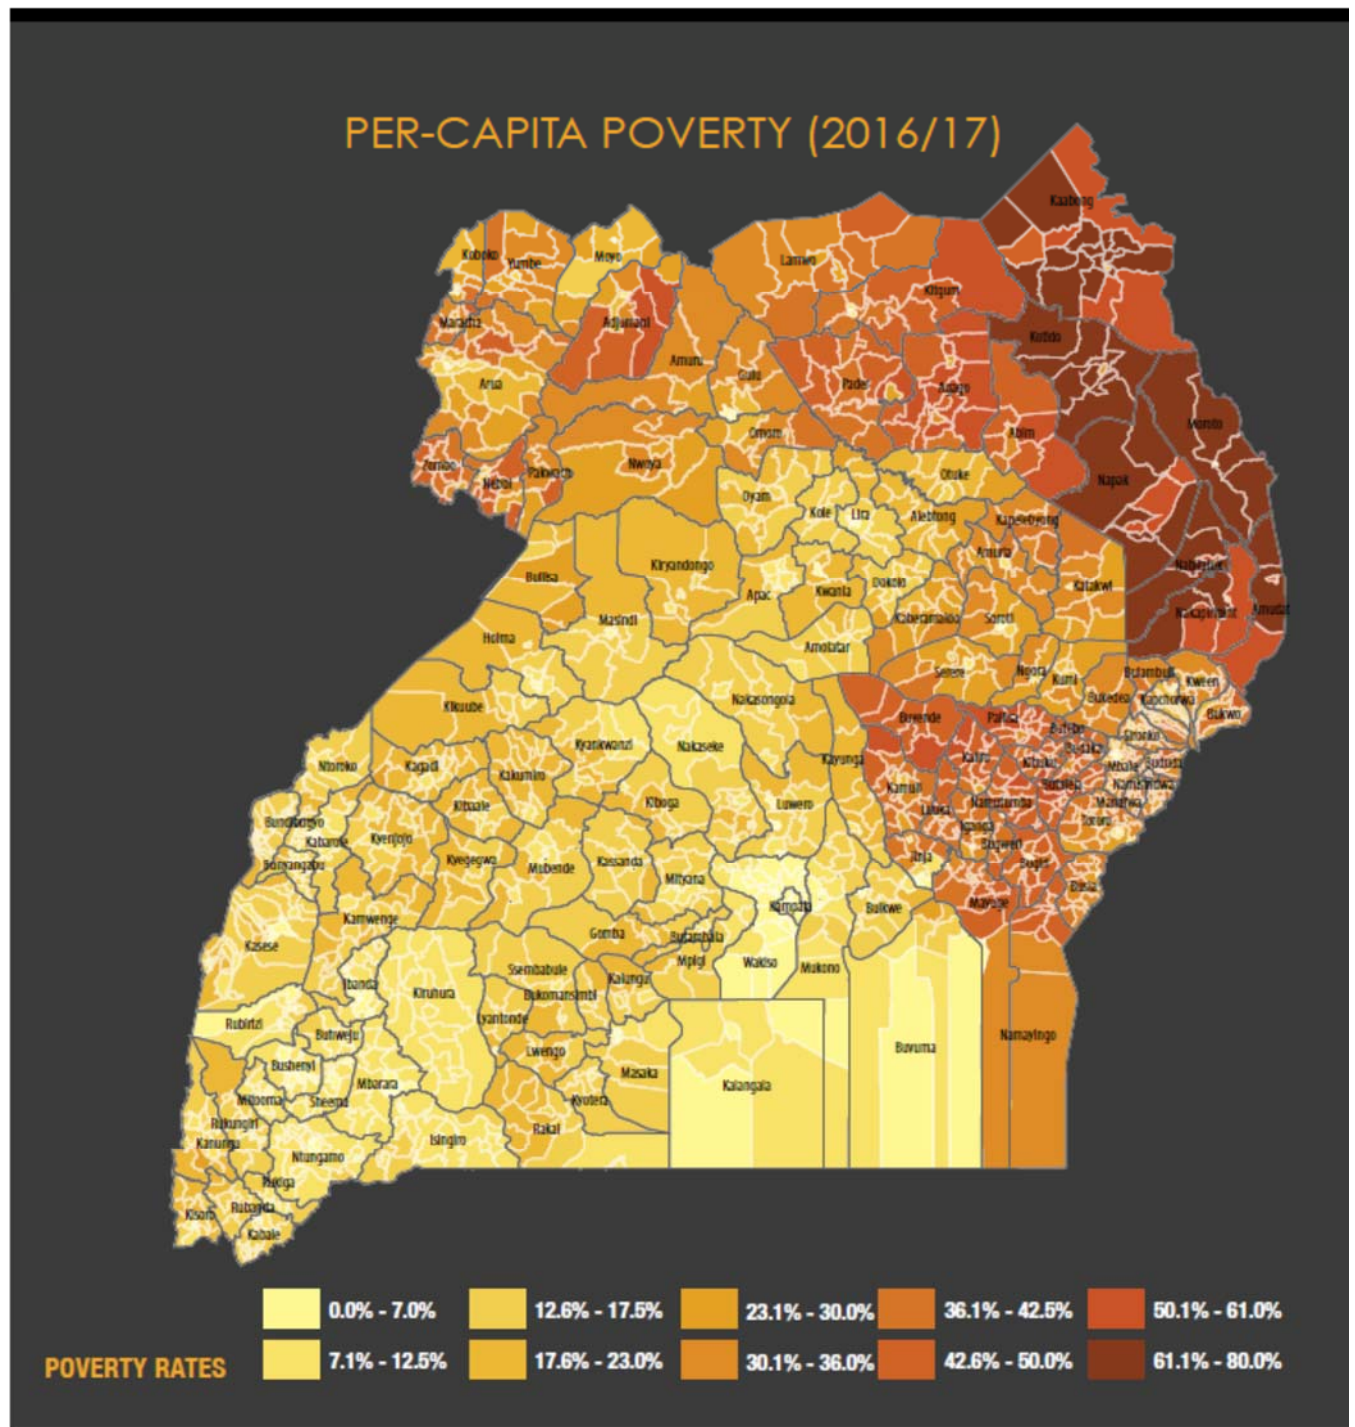

**Map 1. Distribution of Poverty in Uganda across regions
2016/17**

Map 2: Per Capita Poverty Map for Uganda (2016/17)

Per Capita Poverty

It refers to the distribution of poverty per person in 2016/17. From the map poverty is highest among individuals in the Karamoja Subregion, Bukedi and Busoga. The darkest part implies that poverty among individuals is in the range of 61% to 80% whereas the lighter figure implies poverty is between zero to 7%.
